

## CAMP BELZER ACTIVITY

**Twenty-Four campers took a teamwork challenge. . . without using communication. The mission of using blocks to figure out how to put it all together into a cube!**

**Again, they took another teamwork challenge by standing on a wooden balanced.**

# CAMP WILLARD

## DAY ONE, JULY 25, 2019

Outdoor Education had a few lessons a day. Today, they will build a bird nest. The only supplies they would need is anything from nature.

**GROUP YELLOW: (FROM LEFT TO RIGHT: MADISON DRAY, MATTHEW WHEELER, JADEN PETERS, LIAM PANNERA, AND ALEXANDRIA DIXON. THEY BUILT A BIRD NEST AND SET IT IN THE FOREST.)**

**LEFT PICTURE: GROUP BLUE (HOPE LAUNE, ZANDER GONZALEZ, ABIGAIL WOOTEN, GUNA STEWART, AND SAVANNAH ANDERSON ARE LOOKING FOR WOOD STICKS AND GRASS TO BUILD A BIRD NEST.)**

**RIGHT PICTURE: GROUP ORANGE (IAN FETZER, CAMERON SHARER, KAYLEN BROWN, KAYELIN SCATES, AND PEH BUE ARE DISCUSSING HOW TO BUILD A BIRD NEST.)**

## Day 2, July 26, 2019

Outdoor Education had two activities for each group today. One activity, they will need to build a water clock with 2 water bottles, coffee straw/stirrer, hot glue gun, sharpie marker, drill, and timer. Other activity, group will have to build a natural tower building with rocks, sticks, and leaves.

### Day 3, July 27, 2019

Each group work together to create a group name and put ideas into making a flag.

# LINCOLN STATE PARK TRIP

Day 4 and 5, July 28/29, 2019

Holiday World and Lincoln State Campground

We spent a night at Lincoln State Park Campground, kids enjoyed their time being in the nature. When we went to Holiday World, it did rain for 30 minutes or so, and yes we were worried about our tents! Kids had a blast at Holiday World. After Holiday World, we went to Brick Oven Pizza and ate there. While we were eating, it did rain again for 30 minutes. Again, we were worried. When we returned to the campground, sure enough most of tents were wet inside. As a team, we decided to return to Camp Belzer. We didn't get the chance to go to Marengo Cave!

## ARTS AND CRAFT

## FIELD ACTIVITIES
